### Choctaw Books may be able to help

**By Jack Sunn**

Q: Hi Jack, hope you can help me. The book, The Professional Automobile Salesman's Bible, was recently lent to me. I found it very informative and would love to have a copy. It's an older book and may be out of publication. I've checked numerous places with no luck. Do you have any idea where I can find this book? The author is Brad Kerfoot. Any help would be appreciated. Thanks. — P.G.

A: Give Choctaw Books in Jackson a try. If that doesn't work, try finding the book online at [www.abebooks.com](http://www.abebooks.com).

#### From the mailbag:

- Today is the first Greater Belhaven Market of the season, located at 902 Fortification in the Winn Dixie parking lot, 8 a.m.-noon. We have lots of new vendors, fresh produce, specialty food items, garden art, pottery, framed and wearable art and jewelry, live entertainment and so much more. It's family friendly and there's always something for everyone.
